PRODUCT CATAGLOGUE 2020

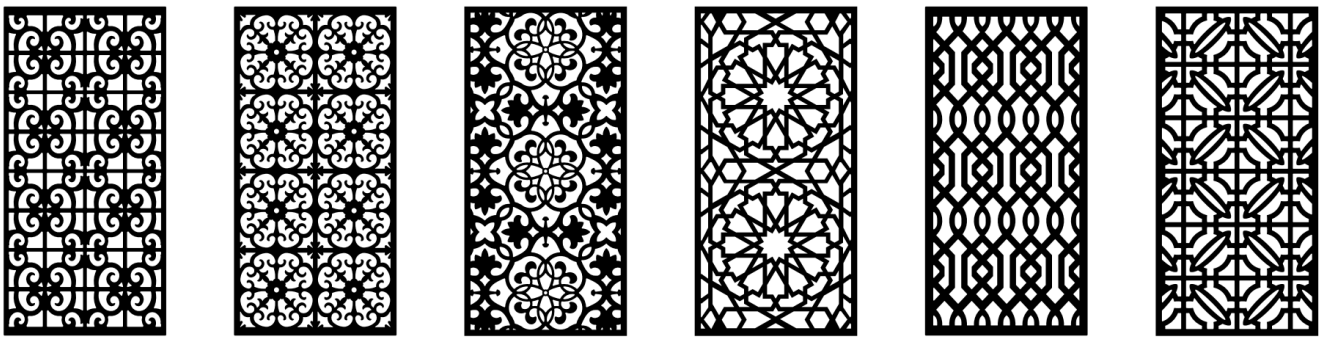
NEAT FAÇADES

ARCHITECTURAL PANELS

CUSTOM

We take inspiration from monuments, art, and nature, and day-to day life, then transform these ideas into the panel designs in-house, or in-collaboration with fellow artisans.

ARTISAN QUALITY | UNIQUE DESIGNS | MADE TO ORDER



By making each panel to order, we are able to offer the dazzling diversity of panels which is essential to our mission here at neat façades. Our spaces reflect our unique personalities - let your senses guide you to the perfect accent to your home.

ALL DESIGNS ARE AVAILABLE IN MULTIPLE SHAPES, THICKNESSES, AND SIZES

- Thickness: 6mm, 12mm
- Sizes: 24" x 48" (2x4ft); 16in x 16in
- Custom sizes, shapes, and thicknesses available
- 100+ designs, see full collection online

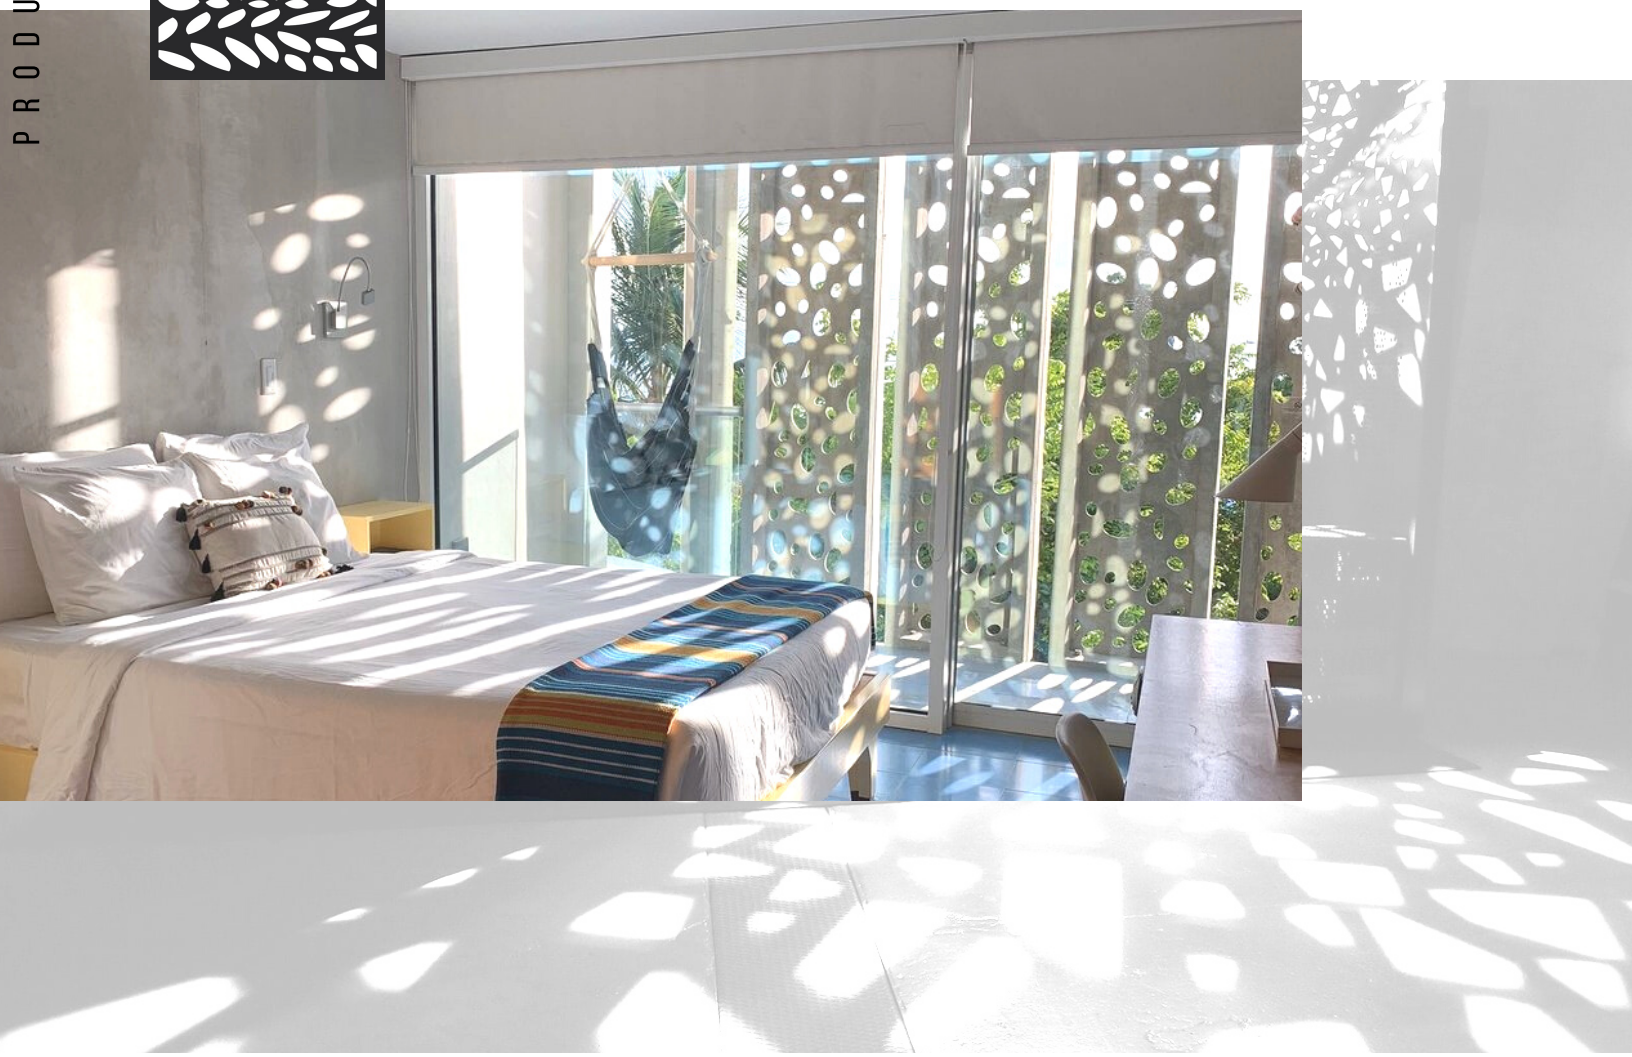
SCULPT WITH LIGHT



DESIGN TIP

This gorgeous use of light sculpting is a feature of the El Blok Hotel, Vieques, Puerto Rico. To achieve light-blocking similar to this, choose the 'Canopy' panel to cover windows or outdoor patio walls where the sun shines brightly. Throughout the day the shadows will gently travel across the room, creating a gorgeous, dynamic dappled sun-effect.

ARTISAN COLLECTION

TREILLAGE & LATTICE COLLECTION

TREILLAGE & LATTICE BORDERS

Borders are fabricated with either a ¼" or ½" rabbit on the back to allow for quick and precise placement of the panel.

All border sizes and designs are customizable.

Custom design requests are welcomed and expected.

PVC material is available in black or white.

The standard border thickness is ¾" although can be fabricated out of material up to 1-1/2" thick in white and up to 1" in black.

The standard border dimension is ¾"x5.6"x96"
